  1. Your student's name, school ID number and/or date of birth
  2. Your name
  3. Your relationship to the child (mother, father, guardian, etc.)
- LMS will email you (only to the address on file with your school) your log-in and TEMPORARY password.
- AFTER you change that password, you will have access to student info.

*Do you have more than one child? Do you want to use one login for all of them?*

- Ask your school to link all of your students in one account.
