Summer Reading Guidelines

1. Read the required book(s) from the English course book list.
2. Read other books of your choice that are at or above your reading level.
3. Choose **one** of the following activities for each book you read.

Activities:

- a. Choose and copy three quotes from the book that best represent the main character and include the page number for each quote. Based on the quotes, write a short paragraph about how the character changes throughout the book and interacts with other characters.
- b. Draw an object that symbolizes the theme(s) or central idea(s) of the book. Explain why you chose the object you did.
- c. Write a poem that illustrates how a major conflict in the book influenced a character's self-identity or ideas about the world.
- d. Create a comic strip that summarizes your book.
- e. In a short paragraph, explain how this novel is a product of the author's experiences, biases, and background. How is the author's work contributing to discussion or conversations about events in the time period of the book's setting?
- f. Take an Accelerated Reader (AR) test and record the title of the book and AR points earned. Your points earned and books read will be verified through a report generated by the AR reporting system.

Between July 1, 2017 and August 31, 2017 go to <https://rdiweb.everett.k12.wa.us/> to take an **Accelerated Reader (AR)** test. Log in with your six digit student ID number and the same password you use at school. AR tests can be taken anywhere you have internet access.
