Ms. T's Intro-

-Goals: part of the meeting needs to be business. Side conversations are asked to be held until after the meeting or when necessary.

-Reason for Christians Boat project- Animatronics are taught that may be in use next built season. We are a team, as a team we need to work as a team. This could be a great learning experience. Please contribute your time!

Special Guest-

-BRIAN GATTMAN! Welcome back! Great to see you again ☺

Eagle Project-

-Thank you to the people who have shown up to help. The robot is expected to be complete on June 21, 2010.

-Ready to move to finish drive train and the next move is animatronics. Tyler Hittle will be helping others understand the fundamentals.

-The robot is in need of wiring and the skeleton of the robot. Painting/ decoration will be conducted soon.

- We need people to contribute some time to the project

- Dates of possible meeting: June 14` 21> Tuesday- Friday: 2-9 pm. Saturday 5-9 p.m.

- Dave M. will be mentoring the project. If you have questions, ask Christian and Dave.

Eagle project tasks-

The people here are expected to go to the shop Tuesday, Thursday, and/or Friday. 5-9 p.m.

Electrical: Alton, Michael, Justin, Kai-Hwa

Animatronics: Charlie, Tyler, Ryan F.

(If you would like to participate in electronics or animatronics over this week, please contact Christian Bundschu via e-mail or phone)

Gateway Report-

-FLL: 30 + members have signed up!

Summer plans-

-Sumo competition!

-Team building activities/projects: Go-cart/ team car

-local Team Get-togethers > something “robotical” ☺ we are open to ideas.

However, people should be ready to be committed. It will be considered a Community Service Activity. Joyce will be organizing, if you would like to help contact her via e-mail or phone.

Signed up for helping: Grace, Cynthia, Justin, Katie, Charlie, Tyler

-We should be considering more Community Service Activities: Special

Olympics ← ask Charlie for details

-Leaders Retreat

-AWS would like to work with us and teach us over the summer about welding: need to come to a decision soon in order to organize and place purchase orders. Welding projects ideas would be great! Such as welding a sign for Terry's Machine shop, Recycle bins for electronics, Cabinets... etc. will be most likely in the fourth week of July

-Restaurant sponsors would be a beneficial venue to look into

-fundraisers: Car wash, auctions

The Three Amiga's Surprise

- Surprise the meeting will **not** be this Saturday. It has been moved to the 23rd.
- Plans for the party: Barbeque most likely pot luck ingredients, game tournament day: basketball, capture the flag, soccer, football, bat mitten, tracks.

More surprises!

- Thank you everyone for taking part this last year! We all worked hard to make things work, had fun, and went crazy. THANK YOU EVERYONE! CONGRATULATIONS!!! Take good care of your medals ☺
- Further thanks to the Ms. T and all of the Mentors! You are what makes the teams go round. Thank you for all of your support ☺
