

Meeting Minutes 4-19-2010

Showed Andrew's slide show

Showed the website

3 prospective new members, two from Jackson and one from Everett High
Team members talked about the excitement of a competition – Charlie said it was like a
Seahawks and Mariners game smashed into one! Couldn't talk because it was so loud,
had to do hand gestures! Mascots, singing, cheering, dancing. Mosh pit in front of the
seats, it smells like "flowers", everyone cheers together from all the different teams.
Charlie – FIRST is like a big family, Kevin Ross said he feels like he has 4000 kids.
Kartik – lots of opportunities to network with company executives, opportunities for
internships, Kartik – opportunities for other roles

Question – When do you go to the shop? Not usually on Mondays, John mentioned the 6
week build season where you might be there at the shop every day in the last 4 weeks of
the season

Question – Do you have officers? We have President, VP Engineering
Maggie – discussed Safety, Collaboration, Team Service, upcoming activities such as
Engineering Open House at UW 4/23/10.

Rude Goldberg: many complex tasks to do simple task

At home, school, final assembly
