What is post-secondary?

Post-secondary refers to **any** college, training program and/or career plans after high school graduation.

Post-Secondary Options
Apprenticeship
Community & Technical Colleges
Employment
Four-Year College & University
Internship
Military

Post-secondary Options

Technical & Trade Colleges

- 1 to 2 year programs
- Provide training for skilled, high tech workers

Community Colleges

- 1 to 2 year programs
- Degrees & certificates offered
  - *academic transfer degrees,*
  - *professional-technical degrees*
  - *certificates of achievement.*

*Earning an *academic transfer degree* similar to completing the first 2 years at a 4-year college/university.

Four-Year Colleges & Universities

- Typically 4-year programs offering variety of Bachelor's degrees
- A university (as opposed to a college) also offers master's degrees (M.A., M.S.) and doctorates (Ph.D.) for advanced, highly specialized study.

Military Service

- Educational opportunities
  - Up to 90% tuition assistance for college courses
  - Technical training in over 200 skill areas
  - G.I. Bill-Tuition for any school

Internships

- An intern is a student undergoing supervised practical training.
- Real-life applications of the skills students learn in school.
- An internship is a way to "try on a job" before deciding on a career.

Apprenticeships

- Training program where you earn wages while learning a skilled profession in a specific field.
- Supervised by a trade professional
- Includes classroom studies and on-the-job training
- Earn a salary while you learn about your trade

Post-secondary Options

Public Colleges

- Funded by local and state governments
- Usually offer lower tuition rates than private colleges for in-state residents

Private Colleges

- Funded primarily by tuition, fees, and other private sources
- Private donations can fund generous financial aid packages for students

Liberal Arts Colleges & Universities

- Offer a broad base of courses in liberal arts
  - Literature, history, languages, math, life sciences
- Most are private offering four-year programs

For Profit

- Businesses that offer a variety of degree programs
- Typically prepare you for specific career
- Tend to have higher costs and not all credits transfer

Special Focus

- Focused on a specific interest or student population

Specialized Mission
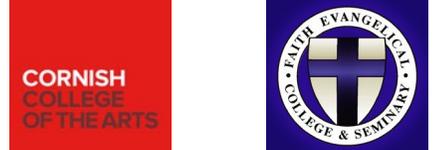

- HBCUs – Historically black colleges and universities
- HSIs – Hispanic-serving institutions
- Offer programs, services and activities targ toward underrepresented students

Direct Transfer Agreement

Direct Transfer Agreement

Home > College & SBCTC Staff > Programs & Services > Transfer > Direct Transfer Agreement

> Transfer information for students ⊙

The Direct Transfer Agreement (DTA) associate degree is designed to transfer to most Bachelor of Arts degrees at all four-year colleges and universities in Washington state. The DTA is sometimes called an Associate in Arts or an Associate in Arts and Sciences.

DTA degrees provide students:

- Priority consideration in the admissions for most humanities and social science majors public universities ahead of students without a degree.
- Completion of lower division general education requirements.
- Credit for all courses completed within the DTA up to and in some cases beyond 90 credits.
- Opportunity to explore several fields of study through the category of up to 30 credits of elective courses.
- Opportunity to complete prerequisites for a future major.

DTA Associate Degree Guidelines

The Intercollege Relations Commission (ICRC) — a unit of The Washington Council — oversees the guidelines for DTAs. The ICRC maintains the most current edition of the ICRC Handbook [PDF] which provides the DTA degree's requirements, provisos and other requirements.
