- Completion of lower division general education requirements.
- Credit for all courses completed within the DTA up to and in some cases beyond 90 credits.
- Opportunity to explore several fields of study through the category of up to 30 credits of elective courses.
- Opportunity to complete prerequisites for a future major.

DTA Associate Degree Guidelines

The [Intercollege Relations Commission \(ICRC\)](#) — a unit of The Washington Council — oversees the guidelines for DTAs. The ICRC maintains the [most current edition of the ICRC Handbook \[PDF\]](#) which provides the DTA degree's requirements, provisos and other requirements.

Financial Aid

Better FAFSA/WASFA 2024-25

Dear Education Partner,

Big changes are coming to financial aid applications this year. The [Washington Student Achievement Council \(WSAC\)](#) would like to team with you to help students and families navigate these changes.

Firstly, the **2024-25 FAFSA (Free Application for Federal Student Aid) will not be available until December 2023**. The WASFA (Washington Application for State Financial Aid) will also be delayed until the FAFSA opens. Applications usually open October 1 of a student's senior year, so this is a major shift in the college planning process.

The good news is that this delay is due to positive changes in the financial aid application process:

- The FAFSA form will be shorter and less complex.
- More students will be eligible for federal Pell Grants, and the average Pell award will be larger.
