- **Exam Format**

- Students can use their own device (computer, tablet, chromebook or smartphone).
- Students will need to access the online testing system 30 minutes prior to exam start time in order to get set up.
- Students will have an option to submit by typing and uploading or handwriting and taking a photo. More information will be shared with students on The College Board website.
- Most exams students will have 45 minutes PLUS an additional 5 minutes for uploading.
 - Previously approved College Board accommodations are being automatically applied.

- **Exam Security**

- Tests will be open note/open book
- Students cannot consult with anyone during the testing time.
- Plagiarism detection software will be used.
- Consequences for violating exam security...
 - Cancelled scores
 - Blocked from College Board and taking other exams in the future (SAT, AP exams)
 - Informing current high school and applied colleges of the infraction.

- **Misc. classes**

- *Art Design 2D, Art Design 3D, Computer Science Principles, Drawing, Research, and Seminar*
 - Portfolio submissions due May 26th by 11:59pm.
 - No online exam.
 - Contact your teacher for additional information on submitting portfolios/projects.
- *World Language and Culture exams*
 - Students will complete two spoken tasks consistent with their FRQ's.
