HENRY M. JACKSON HIGH SCHOOL

9th Grade Pre-Registration – 2022-2023

- Please fill in your preferred fall and spring class requests below. We cannot guarantee that all your choices will be available, so be sure to list alternates. **If you do not select enough alternates, we reserve the right to place you in courses you did not request, if necessary, to ensure you have a full schedule.**
- If a class is yearlong (YR), write the course code and title in both fall and spring semesters below.
- A course can be listed as a request or an alternate, but not both.
- **You will be held to these choices for the 2022-2023 school year!**

Changes to your requests may be made only if your requests are affected by (1) your final middle school grades, (2) credit earned in summer school, (3) a data entry error, or (4) your grades and/or other assessment data that indicates you should be placed in a support class. (Refer to the Schedule Correction Policy on page 11 of the 2022/2023 Everett Public Schools High School Course Catalog.) Additionally, **if we are not able to fully schedule you using only your requests—due to too few requests or schedule conflicts—we may place you in other courses.**

**“I understand that these are my official requests for my 2022-2023 classes.”**
