

The College Board recently announced **significant** changes to the AP exam ordering process for all schools and all students for the 2019-2020 school year. Please keep in mind that these changes are mandated by the College Board and were not determined by Everett Public Schools or HM Jackson High School. It is very important that all families are aware of these changes as students consider registering for AP exams. Students: Create a College Board Account

Students will need a College Board account to join their AP class section and to register for AP exams. (Parents should not create an account for the student). If you don't yet have a student account, go to www.collegeboard.org/register

Do you already have a College Board account? All College Board programs are connected through one account. If an account was created for AP, PSAT/NMSQT or SAT, you just need your username and password to sign in.
