

DUAL CREDIT and CHALLENGING OPTIONS

•High School and Beyond 2023

**WHY CHOOSE DUAL
CREDIT AND
CHALLENGING COURSES?**

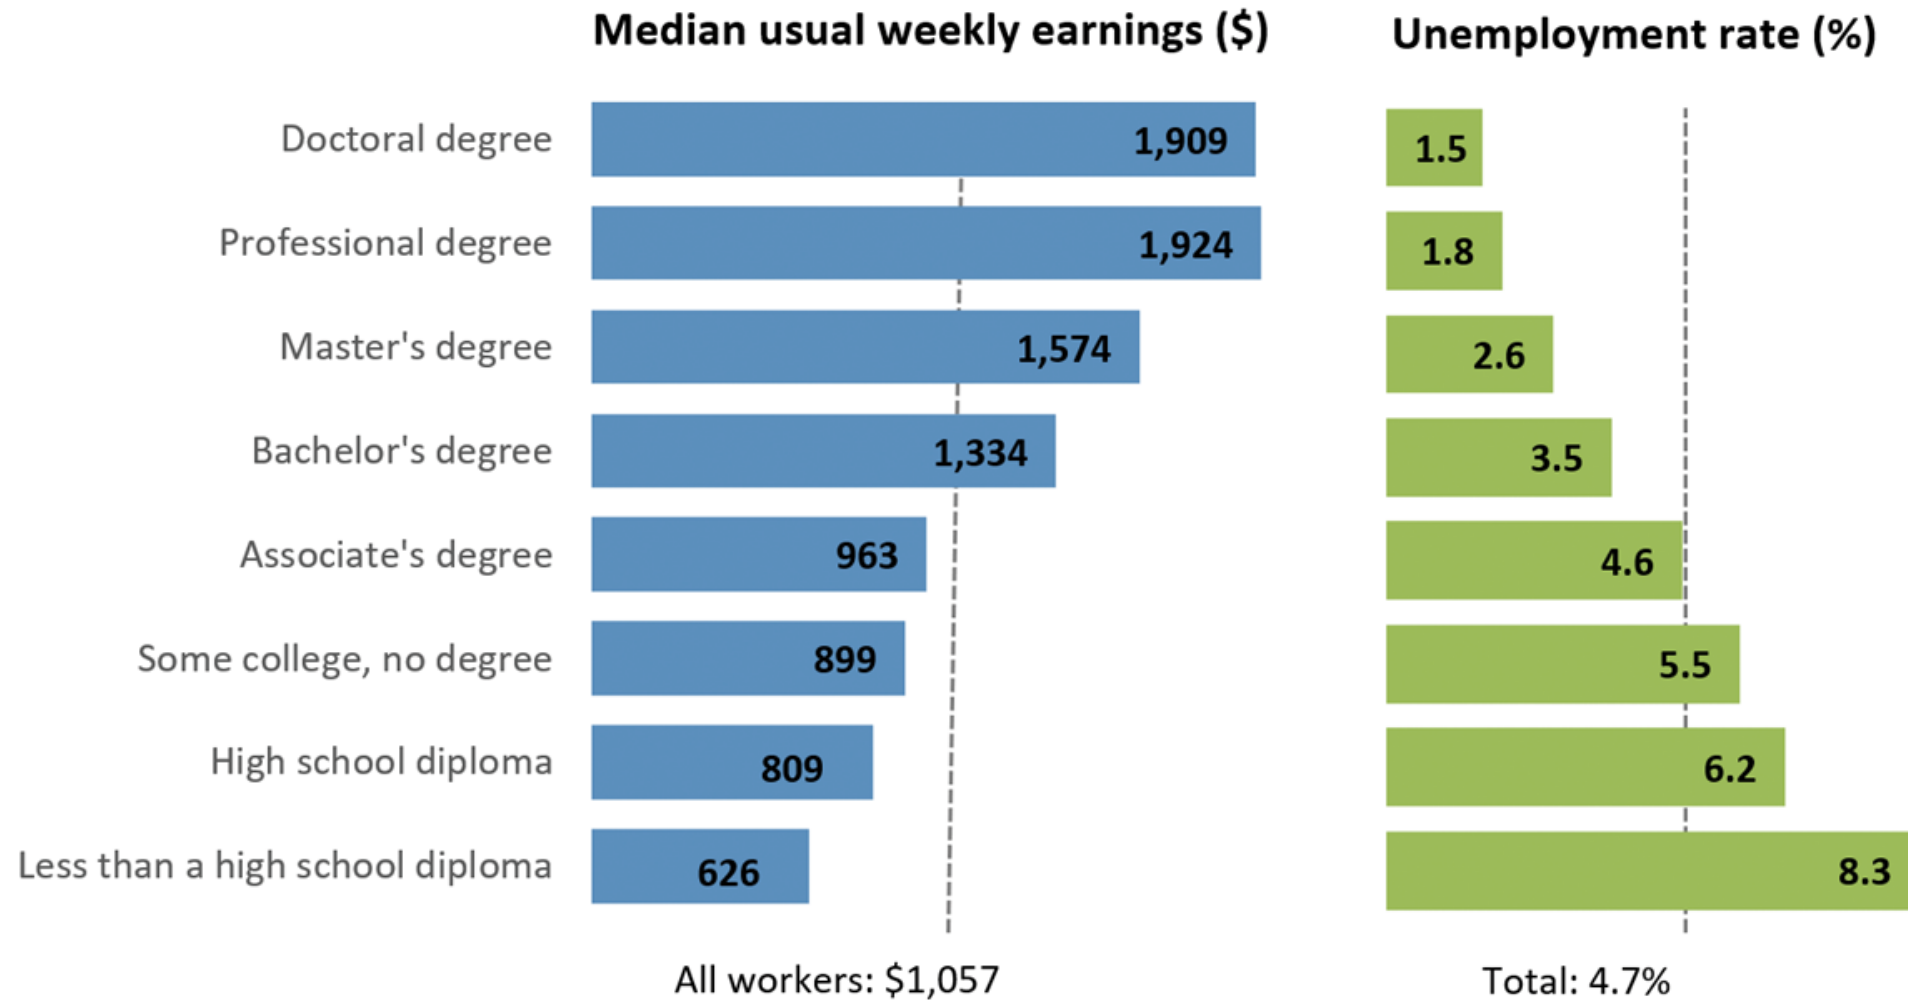

WHY?

Momentum for College and Career

- **Rigorous coursework in high school prepares kids for college**
“The academic intensity of the student’s high school curriculum still counts more than anything else in precollegiate history in providing momentum toward completing a bachelor’s degree” (Toolbox Revisited)
- **Encourages engagement in school**
- **Earn’s credits towards College Graduation**
- **Students are more likely to complete a college degree is they complete 20 credits during the first year of enrollment**
“It is all the more reason to begin the transition process in high school with expanded dual enrollment programs offering true postsecondary course work so that students enter higher education with a minimum of 5 additional credits to help them cross that 20-credit line. 6 is good; 9 is better and 12 is a guarantee or momentum – The Toolbox Revisited (2006)

Earnings and unemployment rates by educational attainment, 2021

Note: Data are for persons age 25 and over. Earnings are for full-time wage and salary workers.

Why?

Most common colleges for JHS

1. UW Bothell (2023)

2. University of Washington

3. Washington State University

4. Everett Community College

5. Western Washington University

OUT OF STATE UNIVERSITIES

1. Arizona State University

2. University of California Schools

3. Grand Canyon University

OTHER NOTEABLE UNIVERSITIES

1. University of Southern California

2. Stanford University

3. New York University

4. Cal Poly

5. Syracuse

6. UCLA

7. UC Berkeley

8. Embry Riddle

9. MIT

10. Tufts

How?

DUAL CREDIT –THREE WAYS

CREDIT by

EXAM – Advanced Placement

CREDIT BY

PASSING A COURSE - Running Start;
College in the High School

CREDIT BY

ARTICULATION – CTE Dual Credit

THREE WAYS TO POSSIBLY GET COLLEGE CREDIT

TAKE THE AP EXAM

or

TAKE THE EVCC or UW CHS CREDIT

or

TAKE BOTH!*

* With CHS credits being FREE in 2023-2024, it might be worth your time to take both! Because the SAT is now optional in many universities, more colleges may look to AP exams to determine standards and it might be good to have both the AP and the credit (in case a student doesn't do well on the exam)

PLEASE NOTE: ONCE STUDENTS ARE IN THEIR AP/CHS CLASSES, STUDENTS MUST SIGN UP FOR THESE CREDITS/EXAMS!

The teacher/counselor/school is not responsible for signing students up

- If students are taking CHS classes from UW or EVCC, Jackson teachers will teach and assess students in the course, but students will get a transcript from that school at the end of the school year (summer)
- Teachers have this AP/CHS information on their Canvas page and have spoken to the kids about how to sign up/register/pay by October....students should know where to find this information!

Who?

 9th Graders – AP Computer Programming, APHUG, environmental science

 10th Graders - AP World History, AP Physics, etc...

 11th & 12th Graders – AP/ College in High School courses

 All Grades – CTE Dual Credit

 Students who are ready for challenging courses

 Students with strong reading, writing and math

What?

Advanced Placement

- Each course culminates in an Exam (May)
- Cost in 2024 is \$98 for each exam
- Students earn college credit based on exam score
1-5....colleges may accept scores of a 3, 4 or 5*
- Credits fulfill general and/or major-specific college graduation requirements

AVAILABLE ADVANCED PLACEMENT OPTIONS

- AP 2-D Art & Design
- AP 3-D Art & Design
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science A
- AP Computer Science Principles
- AP Drawing

- Last day to register for classes: January 2, 2023

More information: “CHS Application and Registration Information”

College in the High School

Earn College Credit in High School

EvCC's College in the High School program offers high school students, in grades 10-12, the opportunity to earn both high school and college credit for advanced, college-level coursework offered right in their high school.

Cut back on time and costs toward earning a degree! Transition seamlessly to completing a two-year degree at EvCC and toward four-year degrees at other colleges and universities.

UW in the High School

Want to get a jump start on college?

UW in the High School lets you take challenging University of Washington courses and earn college credit without ever leaving your high school campus.

DEADLINES FOR UW 2023-2024

REGISTRATION DEADLINES

October 26, 2018

For first-semester and yearlong
courses

March 1, 2019

For second-semester courses

Last Day to Register for Classes: October 16, 2023

Fee for a 5-credit course: FREE

Registration Fee: FREE

Total Fees for one 5-credit course: FREE

REMEMBER!

These classes will go on your student's transcript...a poor grade will not be helpful later on and may not be what your student wants on their transcript.

Teachers are required to use the college/university grading system and abide by their policies

Grades cannot be changed later on

BUT.....

- credits and AP scores are not guaranteed at every college
- many programs have their own set of required classes
- more and more colleges are looking at them as a prerequisite of getting into college
- It takes the registrar/advisor a good month to analyze credits

What?

CTE DUAL CREDIT OPTIONS

- Accounting 2
- Anatomy & Physiology
- Career Choices
- Computer Applications
- Entrepreneurship
- Graphic Design Intro
- Graphic Design 1 & 2
- Independent Living
- Publications 1
- Web Design

When?

- Complete pre-requisites first
- Match to High School Graduation Requirements

When to take classes:

- During the regular school day
- Unlike full-time Running Start, students can stay involved with their school with Dual credit
