

JHS – High School Online Options Approval Form

Return form to your JHS Counselor for final approval

Student Name _____ ID # _____

Contact # (e.g. cell #) _____ Email _____

School Year: 20____ - 20____

Students earning a diploma through JHS must be enrolled in a full schedule of classes each term.

EPS High School Online Options courses are not offered on the JHS campus; they are to be completed from the student's home (outside of school). Because of this, a student requesting to have EPS High School Online Options course(s) added to their schedule must also get approval from their parent(s)/guardian(s) to have the "Online Course" early release and/or late arrival period(s) added to their schedule.

Students who are taking EPS High School Online Options courses CANNOT be on the JHS campus during their "Online Course" early release and/or late arrival period(s). As a result, the student/parent/guardian must provide their own transportation to and from JHS to accommodate this requirement.

EPS High School Online Options courses must be scheduled at the beginning or end of your school day (*you cannot schedule this option in the middle of your school day*). EPS High School Online Options students *must* also complete the EPS High School Online Options required SOU/SLP agreement in order to participate in the class. Failure to provide the SOU/SLP in a timely manner may result in being withdrawn from the course.

Directions:
