Our **test optional** policy continues to be in place for first-year and transfer applicants applying in the fall/winter of 2024 and 2025.

Test Optional (SAT/ACT)

Standardized tests (not required)

UC eliminated its standardized test requirement in 2020.

UC no longer considers SAT or ACT test scores when making admissions decisions or awarding scholarships. Test scores submitted as part of the application may be used as an alternate method of fulfilling minimum requirements for eligibility or for course placement after matriculation at UC.

NYU will continue to remain test-optional for the 2024-2025 application cycle. For students who elect to submit testing as part of their application, NYU has one of the most flexible testing policies of any college or university.

Columbia is test-optional for applicants to Columbia College or Columbia Engineering.

Duke University will be test-optional for both first-year and transfer applicants in the 2024-25 admissions cycle.

Students who apply without SAT or ACT scores this year will **not be at a disadvantage** in our consideration of their applications. Our **decisions are based on a student's comprehensive application materials**, with or without test scores.

Notre Dame is test-optional for the 2024 and 2025 application cycles, meaning students may choose whether or not to submit their test scores with their applications. See [test-optional questions](#) below for further details.

Admissions

D. Test optional — submit SAT or ACT scores.

Effective with applicants for fall 2021 or beyond, submitting scores from the **SAT/ACT is now optional for admissions**. Many students will still provide scores,

Boston College will continue its test-optional admission policy for the 2024-25 application cycle. Students who opt not to submit test scores will receive full consideration during our selection process.

The screenshot shows the CollegeBoard website interface. At the top, there is a navigation bar with the CollegeBoard logo, a 'Sign In' button with a user icon, and a search bar. Below the navigation bar, the main heading is 'SAT Suite of Assessments' with sub-links for 'Home', 'Digital SAT', and 'More'. A breadcrumb trail reads: 'Home / SAT / SAT Scores / Send Scores to Colleges / Sending Scores'. The main content area features the title 'Sending SAT Scores' followed by a paragraph: 'When you registered for the SAT or took it in-school, you might have selected colleges or scholarship programs to send your scores to. When your score is available, you can send it along with information about yourself to additional institutions.' Below this text is a large blue call-to-action box containing a white circular icon of a bar chart with an upward arrow, the text 'Send your scores to colleges and scholarship programs.', and a 'Sign In' button.

Sending Your Scores

We get it—things change. While we still automatically send your scores from the ACT test to the places you requested when you registered (including both your high school and college score recipients), something may have changed since then. Maybe you've got your eye on a new college, have a chance at an unexpected scholarship, or accidentally left off the university you toured last semester.

You can have your ACT scores sent to other colleges and scholarship agencies, even after you test.

WUE

The Western Undergraduate Exchange

ATTEND COLLEGE IN THE WEST FOR LESS

What is WUE?

The Western Undergraduate Exchange (WUE) is a tuition-savings program that makes attending out-of-state colleges and universities more affordable for students. Through WUE, you receive a reduced tuition rate, giving you more education options for your money. **Virtually all undergraduate degrees are available.**

160+
INSTITUTIONS

\$11,294
AVERAGE SAVINGS
PER STUDENT

How does WUE work?

Participating two- and four-year public colleges and universities across the Western U.S. agree to charge out-of-state students no more than 150 percent of the institution's in-state tuition. Tuition savings may vary depending on the college or major.

The bottom line: You save big with WUE and almost always pay less than out-of-state tuition.

How do I get started?

Check your eligibility by home state/territory, college and major through our online **WUE Savings Finder**.

Visit wuesavingsfinder.wiche.edu or use the QR code.

Meet the college's WUE admissions requirements and deadlines.

Apply directly to the college(s) of your choice.

→ **Contact the college** - it's the best source of information about how you can save money through WUE.

Questions? Visit wue.wiche.edu.
Or contact us at info-sap@wiche.edu
