Our Community

Spanning 39 square miles, Everett Public Schools serves the educational needs of over 21,000 students throughout 27 schools.

As the 14th largest school district in Washington State, we are located in one of the state’s fastest growing areas, and the district enjoys a diversified economic base and culturally diverse student population.

Currently, the district’s 27 schools include four high schools (grades 9-12), five middle schools (grades 6-8), and 18 elementary schools (grades K-5). Additionally, nearly 1,500 students in our district are served by our Online High School, one of Washington State’s oldest and most successful virtual learning programs.

Curriculum

Students at Henry M. Jackson High School earn 6.0 credits per year. The school year is divided into two semesters with six classes daily, each worth 0.5 credit. For the class of 2021, a total of 24 credits is required to receive a Henry M. Jackson High School diploma.

Online High School classes may be incorporated into the school day or, for a fee, may be taken to gain more than 6.0 credits during the school year.

We encourage all students to pursue challenging options to better prepare them for post-secondary education, training, and careers.

Students can access honors and Advanced Placement classes at JHS in addition to college-level courses through Running Start, CTE Dual Credit, and College in the High School. JHS does not limit the number of honors and AP classes that a student may take, and we encourage all students to pursue challenging options to better prepare them for success in post-secondary education, technical training, and careers.

The Sno-Isle TECH Skills Center, which serves 44 schools in the region, offers 22 courses in five career pathways: business and marketing, human services, info tech, science and health, and trade and industry. Additionally, students have the option of earning credit for approved work experience.

“Our mission is to provide a rigorous curriculum that sets high standards and prepares all students for the future.”

Senior Quantitative Requirement | 0.0
Electives | 3.5

Grading/GPA

- GPAs are cumulative and computed at the close of each semester.
- Grades are recorded on the transcript and the GPA is computed in early February and late June.
- Only courses with letter grades are calculated in the GPA.
- JHS does not rank students but provides a decile standing.
- GPA is based on a 4-point scale.
- JHS does not weight grades.
- All subjects are included in determining decile standing and GPA including College in the High School and Running Start.
