#7 **Students registering for an advanced pathways course:**

1. **Please think about each statement below and check each statement that is true for you:**
 - I have demonstrated academic performance **at or above grade level proficiency in English** (Reading and Writing) and/or in Math.
 - I demonstrate a high level of interest and intellectual engagement in my courses.
 - I have a strong desire to be challenged and excel in English and/or Math.
 - I am highly self-motivated and have the desire to excel in my courses.
 - I take responsibility for my learning, attend class regularly, **complete assignments on time**, and know that putting in a lot of effort is important for my success.
 - I successfully complete tasks that require time, thought, and implementation of multiple steps, concepts, or techniques.
 - I examine and learn from errors, try different approaches when needed, revise my work throughout the learning process, and seek help and access resources when needed.
2. **Please use the back of this form or attach an additional page to complete the following:**
In writing, please explain your reasons for choosing any advanced pathway course. (If you are choosing both, please write about each subject separately). Please include your plan to commit to the increased academic expectations in this kind of course.

#8 **Students and Parents/Guardians:**
 Please sign below to indicate that you have read the attached Everett Public Schools Advanced Pathway letter, you understand the expectations for these rigorous, accelerated courses, and that the selected course choices are your official request for the 2020-2021 school year.

Gateway Middle School 2020-2021 6th Grade Pre-Registration

In writing, please explain your reasons for choosing English 7 Honors and/or a compacted Math course. (If you are choosing both, please write about each subject separately). Please include your plan to commit to the increased academic expectations in this kind of course.

If you are registering for English 7 or one of the compacted Math classes, you need to write a response to this prompt.

7th Grade English Honors Self-Check

Is 7th Grade English Honors the right placement for you? The English curriculum at Gateway is rigorous and expectations are high in ALL English classes. Those students who opt into the 7th Grade English Honors course will be skipping over one full year of writing and reading curriculum and instead of following the 6th grade curriculum, they will be completing 7th grade coursework. Honors students move through the curriculum at a rapid pace with less time for skills practice and are graded according to 7th grade standards. Below is a checklist of statements that apply to successful Honors English students.

If you checked "NO" to any of these statements, the standard 6th grade English class is most likely your best choice.

"I" Statements	YES	NO
I have a passion for writing.		
I consistently score above standard in the 90 th percentile (Level 4 "A" work) on writing assignments.		
I comprehend above grade level reading and can use supporting evidence to analyze what I've read.		
I consistently read at home - novels of differing genres.		
I consistently use higher level punctuation correctly: such as semicolons, dashes, hyphens, and quotation marks.		
I have a strong command of conventions: capitalization, usage (grammar), punctuation, and spelling.		
I consistently use higher level vocabulary words in my writing.		
I consistently complete and turn in my work on time.		
I put my best effort into all of my work and go above and beyond expectations.		
I ask questions when I need clarification or help on a task.		
I have the time and commitment for completing advanced homework expectations.		
I am a self-directed learner and don't need reminders from an adult (teacher and/or parent) to finish my work.		
I consistently listen, understand, and follow directions.		
I consistently utilize rubrics to guide and self-assess my work.		
I can balance the high expectations of Honors English with my other academic classes and with the extra-curricular activities that I'm involved in.		

Make the best choice for you.
