1. **Please think about each statement below and check each statement that is true for you:**

- I have demonstrated academic performance at or above grade level proficiency in English (Reading and Writing) and/or in Math.
- I demonstrate a high level of interest and intellectual engagement in my courses.
- I have a strong desire to be challenged and excel in English and/or Math.
- I am highly self-motivated and have the desire to excel in my courses.
- I take responsibility for my learning, attend class regularly, **complete assignments on time**, and know that putting in a lot of effort is important for my success.
- I successfully complete tasks that require time, thought, and implementation of multiple steps, concepts, or techniques.
- I examine and learn from errors, try different approaches when needed, revise my work throughout the learning process, and seek help and access resources when needed.

2. **Please use the back of this form or attach an additional page to complete the following:**

*In writing, please explain your reasons for choosing any advanced pathway course. (If you are choosing both, please write about each subject separately). Please include your plan to commit to the increased academic expectations in this kind of course.*

**Students and Parents/Guardians:**

Please sign below to indicate that you have read the attached Everett Public Schools Advanced Pathway letter, you understand the expectations for these rigorous, accelerated courses, and that the selected course choices are your official request for the 2020-2021 school year.
