7th Grade Registration

Important dates:

March 21	Students receive course catalogs & registration materials.
March 22-28	Return registration worksheet to STAR period teacher.
March 28	Students enter final course choices into home access center during STAR period.
August (TBD)	Orientation (pick up schedule, turn in forms, school tour, club/sports info.).

Steps to register for 2025-26 school year:

Complete this form and bring all registration materials to school with you on or before March **28**.

1. Review the course options for next year, including advanced pathways.
2. Talk to current teachers about Math & English placement for next year.
3. All students must take a minimum of one semester of Visual or Performing Arts.
4. Students should consider taking courses that provide high school credit (see middle school course catalog).

Are you considering advanced pathways?

Please consider the following when making this decision:

- Students should be able to demonstrate academic performance at or above grade level proficiency in English (Reading and Writing) and/or Math.
- Students should demonstrate a high level of interest and intellectual engagement in the courses.
- Students should demonstrate a strong desire to be challenged in English and/or Math.
- Students should be highly self-motivated and have the desire to excel in courses.
- Students should take responsibility for learning, attend class regularly, complete assignments on time, and know that putting in a lot of effort is important for success.
- Students should demonstrate successful completion of tasks that require time, thought, and implementation of multiple steps, concepts, or techniques.
- Students should examine and learn from errors, try different approaches when needed, revise work throughout the learning process, and seek help and access resources when needed
