### Steps to register for 2025-26 school year:

*Please complete and return this form to your current teacher by **March 7**.*

1. Review the course options for next year, including advanced pathways courses.
2. Talk to your current teacher about Math & ELA placement for next school year.
3. All 6<sup>th</sup> graders must take a minimum of one semester of Visual or Performing Arts (VPA).

### Are you considering advanced pathways?

*Please consider the following when making this decision:*

- Students should be able to demonstrate academic performance at or above grade level proficiency in English (Reading and Writing) and/or in Math.
- Students should demonstrate a high level of interest and intellectual engagement in the courses.
- Students should demonstrate a strong desire to be challenged and excel in English and/or Math.
- Students should be highly self-motivated and have the desire to excel in courses.
- Students should take responsibility for learning, attend class regularly, complete assignments on time, and know that putting in a lot of effort is important for success.
- Students should demonstrate successful completion of tasks that require time, thought, and implementation of multiple steps, concepts, or techniques.
- Students should examine and learn from errors, try different approaches when needed, revise work throughout the learning process, and seek help and access resources when needed.
