

**Ms. Debi Doyle**

**Counselor**

**385-7328**

Welcome back for another fantastic year of learning. I am here to support your students in their learning. Sometimes that support does not always look like helping with academics sometimes it is helping with food, clothing, or other necessities of life.

If your child is in need of clothing and they qualify for free or reduced lunch they may be eligible to go to School Bell one time during the school year. Also I am able to get a few gift cards for shoes through Payless Shoe store. Another resource available is Clothing for Kids. You can get a signed form in the office that you can take there to access this service.

We also have a food bank that is available to any family that goes to our school.

To find out more about these services or any other questions please call me at 425-385-7328

or email me at [ddoyle@everettsd.org](mailto:doyoyle@everettsd.org)

Happy Learning 2015-16

Debi Doyle
