April Principal Newsletter

Thank you for attending your child's parent teacher conference. This is such a great time to talk about your child's progress, behavior, and expectations for the remainder of the school year. Please know that you can always schedule a meeting with your child's teacher. Attendance is very important. Please get your child to school on time each day. Elementary school builds the foundational skills that students require to be successful in middle school and high school.

2017 Summer School: Please complete your child's summer school enrollment form. They need to be in before the end of April. We have had great success with our summer school over the years. I recommend that you consider sending your child. It runs from July 10 through August 10; Monday through Thursday 9-15-1:30 with breakfast and lunch served.
