WELCOME TO JACKSON ELEMENTARY

This Family Handbook is a collection of the most important procedures, routines and expectations we have established over time which are intended to improve your child's and family's experience at Jackson.

We will teach these procedures to your student and provide opportunities for students to practice them. You can help. Please read through this booklet at home together. Discuss and clarify those items which may be new or challenging expectations.

Thank you for supporting these common procedures and for helping your child understand what is expected at Jackson. Thank you, too, for being an involved partner in our shared responsibility to raise happy, healthy, well-educated children.

Sincerely,
Darren Larama, Principal
Sabrina Cordova, Assistant Principal

Reminder: It is illegal to use cell phones while driving.

Please make all transportation arrangements with your child before the start of the school day.

If student is going home with a friend or someone other than a family member:

A call or signed note from a parent or guardian is required. If your child will be riding a different bus, he/she must present a signed note to the office and be issued a **bus pass** before the end of the school day. Children without a signed note will be sent home in the customary way.

Checking out students before the end of the school day: If you need to pick up your child before the 3:30 p.m. dismissal time please they must be checked out in the main office. Please do not forget your ID (driver's license or state ID card).

We get very busy toward the end of the school day; it is very difficult to respond to changes in transportation home requests after 3:00 p.m.

Students dismissed during the school day must be signed out from the school office by a parent/guardian. Whenever possible, schedule your child's appointments outside of the school day.

ATTENDANCE

Attendance is a critical factor in your child's school success. We expect all students to attend every day, on time. When your child is absent, we cannot duplicate what has been accomplished in the classroom during the school day.

Please refer to [District Policy 3122P](#) for specific details around attendance including what an excused and unexcused absence is.

Instructional hours at Jackson are 9:15 a.m. to 3:30 p.m. The first bell rings at 9:10 a.m. Instruction begins promptly at 9:15 a.m., at which time your child should be in his/her classroom. Students arriving after 9:15 a.m. must report to the office accompanied by a parent or with a note from a parent before going to their classroom. Students arriving after the 9:15 a.m. bell or dismissed before the end of the school day are tardy. Students are expected to be in their classrooms, in their seats, and ready to participate at the beginning of each class.

Students are tardy if they arrive after the published start time or leave before the published end time for school or class. A student who is marked tardy to class is not absent unless the student otherwise meets the criteria for an absence. Tardies shall not be converted or combined into absences that contribute to a truancy petition.

At the elementary level, a *tardy* becomes a *partial day absence* if the student has missed more than thirty (30) minutes and less than 50% of their school day.

At the elementary level, a student's attendance will be recorded as a full day absence when the student has missed 50% or more of their scheduled school day. On a regularly scheduled school day, there are 6.5 total hours per day.

If your child is absent, email JAEAttendance@everettsd.org or call 425-385-5605 to report the time and reason for the absence.

Families should not schedule vacations or travel while school is in session. If a family vacation or travel must occur while school is in session, it must be prearranged prior to the absence and approved by the principal. The principal or designee may excuse up to five (5) school days for a prearranged absence per student each school year.

Assignments requested for a prearranged absence will be provided to the student or parent/guardian if requested five (5) school days prior to the absence.

Letters informing parents/guardians of excessive absences/tardies are sent home as required by Washington State law.

BICYCLES AND WALKING

Parents are always encouraged to ride bikes with their children to school. Students are permitted to ride their bikes or scooters to school by themselves beginning in the third grade. Children in younger grades may ride their bike or scooter, if accompanied by an adult. Make sure that your child has adequate skills to ride his/her bike to school before allowing him/her to do so.

Bicycle riders must abide by the following rules:

- Wear a helmet
- Ride on the right-hand side of the road in single file
- Use extreme care when approaching children, other bicyclists, pedestrians, crosswalks, and intersections
- Always be careful of cars and buses; you may see them, but they may not see you!
- Walk your bike/scooter across crosswalks and follow the directions of safety patrol members. On campus, bike riders should follow the same route as walkers, avoiding bus loading/unloading areas.
- When on school grounds, **walk beside** your bicycle/scooter
- Park your bike/scooter in the bike rack
- Secure your bike/scooter with a lock. Store your helmet in your locker.

Skateboards, roller blades, and wheelie shoes are not allowed on school grounds.

If your child walks to school, familiarize him/her with the route at the beginning of the school year. It is a good idea to walk with him/her the first few days of school. If possible, have your child walk with other children. Remind him/her not to talk to a stranger and not to ever accept a ride from anyone he/she does not know. Report any concerns to the police immediately. Stress the need to stay on the designated sidewalk/path and to walk directly to school. Teach your child traffic safety procedures.

BUS RIDING

A list of District [Bus Rules and Regulations](#) is distributed to and discussed with students at the beginning of the school year. The following basic rules help ensure safety for all who ride school buses.

- The driver is in charge and the students must follow the rules established by the driver.
- If a student is a bus rider, he/she is to ride the bus to which he/she has been assigned. ***Any student riding a different bus home or getting off at a different bus stop must present a signed note requesting the change to his/her teacher.*** The student will be issued a bus pass by the school office.
- Students who ride the bus should not arrive at the bus stop more than five minutes prior to the

bus pick-up time. While waiting for the bus or walking home after getting off the bus, children are expected to follow Jackson's behavior expectations.

- Consequences for inappropriate behavior on the bus or at the bus stop will follow the District's progressive discipline policy and range from a referral to the office to the suspension of bus privileges for the remainder of the school year. Incident reports will be sent home and parents will be notified regarding disciplinary action.
- ***A note must be sent to school if a student is going to be picked up or walk home rather than ride his/her bus.*** A child without a note will be put on his/her regular bus.
- Kindergarten students will not be allowed to get off the bus without an adult to meet them. If a parent needs to pick up a child at school who normally rides the bus, the parent must first come to the office. Office personnel will communicate to the classroom teacher or the bus supervisor that the child needs to come to the office to be picked up. Students are released from the office only. Parents should not go to the bus area – supervisors are not authorized to sign out any student at the bus loading area.
- Large packages, glass items, or pets are not permitted on a bus. Small items brought to school, such as for Show & Tell, are to be kept in containers and out of sight.

Parents and guardians are welcome to eat with their children. If you are planning to purchase food from the school cafeteria, please call the cafeteria (425-385-5607) or send a note with your child at the beginning of the day. Please sign in at the school office before entering the cafeteria.

CELL PHONES

In coordination with district policy [3246P](#): “Elementary ... students who choose to bring cell phones and other PEDs to school may only use them before or after the school day. During the school day, all cell phones and other PEDs must be powered off and stored (e.g., in the student’s backpack, locker, other district provided storage).”

Student cell phones are to be turned off any time a student is on campus or on a school bus. This includes the end of the school day. Students must keep cell phones in a backpack; they should not be taken out while at school. Improper use of a cell phone, including taking photos, will result in it being confiscated, and a parent will be required to pick it up from the office. See additional information under [Electronic Devices](#).

COMPUTER USE

Students in Everett Public Schools use technology to support learning in many ways. They are allowed to access the Internet for instructional purposes only. Student Internet use is planned and monitored by teachers. Any intentional misuse of Internet access by students will result in disciplinary action and may lead to the loss of Internet privileges.

DELAYED START OF SCHOOL / EARLY CLOSURE

Occasionally weather and other emergency conditions may require school delays or closures. Most area TV and radio stations announce school cancellations, delays of starting time or emergency early dismissal.

No announcement means normal operations.

Announcements are for one day only.

Do not call the school, the District or TV/radio stations about school closures. Check the media, including the District web site: www.everettsd.org. The District will notify the media of changes before 5:30 a.m. Information is also placed on the District information line: 425-385-4636. See information on the [Family Emergency Plan](#).

DISCIPLINE POLICY

The Everett Public Schools’ [Student Responsibilities and Rights Policies](#) are issued to every family. Expectations for student behavior in the classroom, lunchroom, and elsewhere on the campus are taught and reinforced through our implementation of Positive Behavior Interventions and Supports (PBIS). The staff at Jackson encourages and supports appropriate behaviors as well as the concept that we are all working as a team. We teach expectations following our school code:

I am in the right place, safe, kind, and ready to learn.

Failure to comply with behavior expectations may result in disciplinary actions, in accordance with the District’s progressive discipline policy. Teachers will endeavor to solve any behavior problems with in class interventions including conferences, reviewing expectations, and collaborating around our “Think Time” problem solving worksheet. Additional discipline may include an office referral, parent contact, or a short or long term suspension.

Toy guns, knives, weapons, ammunition or any object that could reasonably be considered a weapon are not permitted by state law on any school property and will result in disciplinary action.

DRESS CODE

Student and adult dress is regulated to preserve a beneficial learning environment and to assure the safety and well-being of all students. Dress which presents a health or safety hazard, damages school property, or which creates a material and substantial disruption of the educational process is prohibited as per Everett Public Schools policy 3224.

Students will wear appropriate school attire, including shoes. Appropriate attire shall exclude any type of dress or manner of grooming which school officials reasonably believe would disrupt or interfere with the school environment, activities and/or educational process. School officials will work with students, parents, and teachers to communicate descriptions of dress considered disruptive to the educational process. The following are not permitted:

- Attire that shows or displays undergarments and inadequately covers chest/breasts, midriff, buttocks, and thighs. Shoulder straps must be 1 inch in width (e.g., no spaghetti straps, halter tops, tube tops, etc.) Shorts, skirts, and skorts must extend past the wearer's fingertips when standing straight with arms extended at side.
- Attire that displays obscene, sexual, drug or alcohol related messages; or displays gang- related symbolism.
- Any clothing that would create an atmosphere in which a student, staff member, or other person's well-being is hindered by undue pressure, behavior, intimidation, overt gesture or threat of violence.
- Pants must be secured at the waist and cover the stomach and underwear.

No hats or hoods may be worn indoors at Jackson. Exception: Hats may be worn on designated school spirit days.

These standards will be applied in a consistent and nondiscriminatory manner. Students who violate these standards will be subject to progressive discipline.

ELECTRONIC DEVICES

Everett Public Schools cannot be responsible for personal property that is lost, stolen or damaged at, or in transit to or from school. Therefore, students should refrain from bringing non- educational items to school without the express permission of parents and/or school staff.

Electronic e-readers are permitted on campus in grades 3-5, with the parent's and teacher's permission. Specific information about cell phones on campus can be found at [Cell Phone Policy](#).

EMERGENCY EARLY DISMISSAL

Conditions may develop during the school day which require an early dismissal. Early dismissals will be broadcast on the same radio stations as delays and closures. We will notify parents via the district automated telephone/email system. (Be sure to notify the school if numbers change.)

If school is dismissed early, only authorized persons (identified by parents on their child's registration form) may pick up students. School staff will remain at school until all students have left. Please remember that under many emergency conditions telephone service may be unavailable for outgoing or incoming calls. At times, local radio stations may be the only available means of communication.

EMERGENCY PROCEDURES

Staff and students at Jackson practice emergency drills throughout the school year so they are prepared in case of an actual emergency. Parents/guardians should review procedures that their children will use if an emergency occurs on a child's way to or from school.

EMERGENCY RELEASE PROCEDURES

Depending on the type of disaster event, our school may evacuate students to a safe location outside the school buildings or may impose a lock-down where children will remain in the building throughout the duration of the emergency. Whether our students have been evacuated from the building or remain inside the school, a process exists for your child to be released from our care to you or your designee. To assure this goes smoothly:

- Update all emergency phone numbers with the school office. This includes home phone, cell phones, parent work numbers, email addresses, daycare, and emergency contacts. Be sure that all your emergency contacts are aware of their responsibility to your child.
- Listen to the radio/TV for school information. Please do not call the school, as phone lines may be jammed and staff are managing children.
- If bus service is not available in an emergency, we will keep children at school until parents or the child's designated emergency contacts arrive.

FAMILY EMERGENCY PLAN

Each family must have a plan of action in case the start of school is delayed or students are dismissed earlier than expected. Families should address these questions:

- With whom will your child stay in the morning if the start of school is delayed and you cannot remain at home?
- Who will pick up your child from school if buses are not available due to an emergency and/or if school is dismissed early?
- If children are held at school due to an emergency, who might we have your child contact to calm his/her fears?

FIELD TRIPS

Field trips are a regular part of our educational program and parents are often needed to help chaperone. Siblings are not permitted on field trips. Parents must complete their child's permission form and have an up-to-date emergency card on file before the child leaves for a field trip. ***In order for parents to be considered as field trip chaperones, a completed volunteer form must be approved ahead of time.*** Don't wait until your child's field trip is announced to complete your volunteer form. Volunteer approval can take two to three weeks to be processed by the District office and State Patrol. We encourage every parent to complete a volunteer form early in the school year. Approval is valid for three years. Forms are available on the district web site.

FINES

Students and their parents/guardians are responsible for the cost of lost textbooks and fines. Fines can be [paid online](#). Final progress reports will be withheld until fines are paid in full.

FOOD (snacks from home, birthdays treats, etc.)

Everett Public Schools is committed to providing nutritious food for students through our meal

programs. In keeping with this goal, we request that you send healthy food with your child and when bringing food for the entire class during celebrations. This includes midday snacks (if part of the classroom schedule) and birthday treats. **Food shared with other students must be approved ahead of time by your child's teacher and must be purchased at a store containing a label.**

Students are not allowed to share any food with each other.

FRAGRANCES

Fragrances must be worn in moderation so as not to distract, disrupt or offend others. Some members of the school community have health conditions that are negatively affected by fragrances worn by others. In those circumstances students will be asked to refrain from wearing fragrances to school. Parents are asked to comply as well.

HARASSMENT, INTIMIDATION, AND BULLYING (HIB)

The board is committed to a safe and civil educational environment that is free from the harassment, intimidation, or bullying (HIB) of any student. Our district's core values include our commitment to value differences among people and treat one another respectfully. HIB of students by other students, by staff members, by volunteers, by parents or by guardians is prohibited. Please see [District Policy 3204](#) and [3204P](#)

Our Schools are Gender-Inclusive

In Washington, all students have the right to be treated consistent with their gender identity at school.

Our schools will:

- Address students by their requested name and pronouns, with or without a legal name change.
- Change a student's gender designation and have their gender accurately reflected in school records.
- Allow students to use restrooms and locker rooms that align with their gender identity.
- Allow students to participate in sports, physical education courses, field trips, and overnight trips in accordance with their gender identity.
- Keep health and education information confidential and private.
- Allow students to wear clothing that reflects their gender identity and apply dress codes without regard to a student's gender or perceived gender.
- Protect students from teasing, bullying, or harassment based on their gender or gender identity.

Click to review the district's Gender-Inclusive Schools [Policy 3213](#) and [Procedure 3213P](#). If you have questions or concerns, please contact the Gender-Inclusive Schools Coordinator: Joi Odom Grant, Director Diversity, Equity, and Inclusion, 425-385-4000, jgrant@everettsd.org, PO Box 2098, Everett WA 98213

For concerns about discrimination or discriminatory harassment based on gender identity or gender expression, please see the information above.

HEALTH SCREENINGS

Everett Public Schools provides vision, hearing and scoliosis screenings for students in selected grade levels. If you have questions about the schedule or procedures for these screenings, please contact our Health Room at 425-385-5606.

HOMEWORK

Homework is assigned to improve, enhance and expand a child's learning experiences. Teachers communicate their homework policy with parents/guardians at the beginning of the school year. Homework is most beneficial when parents establish and reinforce a routine time and place for

homework, contact their child's teacher with any questions or concerns, and monitor their student's homework each evening.

The purpose of homework at Jackson can be for any one of the following reasons:

- To practice and refine skills so that mastery is achieved.
- To independently apply material learned in class.
- To extend assignments by applying learning to a new situation.
- To stimulate creativity through activities requiring original expression.
- To foster the development of independent study habits.

ILLNESS

If an **accident** occurs at school, the child should report the incident to the teacher or adult supervisor immediately. If a child is injured, a staff member competent in first aid will administer emergency first aid treatment. Parents (or their emergency contact) will be notified. 911 will be contacted should the emergency warrant.

If your child is diagnosed with a **communicable disease** you must notify the health room at 425-385-5606. A doctor's written permission will be required before the child may return to class.

If a student **becomes ill** at school, our school nurse, health room assistant or office staff will review the symptoms. If appropriate, we will take your child's temperature. After this assessment, we will make a decision whether your child should go home. If a child's temperature is 100.4 or above, the parent/guardian will be notified and the student will be sent home. The parent/guardian or emergency contact person must come to the school to pick up the sick student. Children needing to go home for illness will not be sent back to class or sent home on the bus. In the event of a serious or life-threatening illness, 911 will be called.

Please do not send an ill child to school. Children are welcome back at Jackson when they have been without symptoms for 24 hours and are able to take part in the full-school program, including recess. Supervision of students is not available in classrooms during recess.

IMMUNIZATION

A list of required immunizations is available in the school office and on the District web site. These immunizations must be recorded on a Washington State Certificate of Immunization Status showing the month and year of each dose and signed by a parent/guardian. Exemptions are available as defined by state law. If an outbreak of a vaccine-preventable disease, for which the student is exempted, should occur the student will be excluded from school for the duration of the outbreak.

INSURANCE

The Everett School District provides information on low-cost student insurance. Contact the office staff for the latest pricing and contact information. Also see [Medical Coverage](#).

LATE START

See [School Hours](#), for regular, Early Dismissal and 75-minute Release start and end times.

Students entering the building before school must have a pass from their teacher.

In the event the school day is delayed by an hour or two (due to inclement weather) buses will also run late, delayed by the same number of minutes as the school start. School will end at the regular time on late start days.

LIBRARY

Our library is the hub of our school. Each week classes rotate through the library for lessons and students are provided time to browse the extensive book collection for check out.

LOCKERS AND DESKS

Lockers, desks and storage areas are the property of the District. No right or expectation of privacy exists for any student as to the use of any space issued or assigned to a student by the school. Lockers and other spaces are subject to search in accordance with district policy.

Students are assigned lockers by their classroom teacher. Each teacher establishes procedures for students to access their lockers in a quiet and safe manner and advises students as to what items may appropriately be stored in a locker.

LOST AND FOUND

A lost and found bin is located in the main hallway of the school. Parents should check this rack and with the student's classroom teacher if their child is missing coats, sweatshirts, shoes, lunchboxes, or other personal items. Unclaimed items will be donated to a charity during breaks and at the end of the school year.

MEDICAL COVERAGE AND HELP FOR FAMILIES

In Washington State there are two medical programs available to children. Families may be eligible for Medicaid (a free insurance plan) or the Children's Health Insurance Plan (a low-cost state insurance plan). Coverage for eligible children includes immunizations, doctor and dental visits, hospital care, glasses, prescriptions, etc. More detailed information is sent home with each child at the beginning of the school year and can also be requested from the Health Room or main office.

MEDICATION

Medication will be given at school only when absolutely necessary. Parents/guardians are encouraged to work with their Licensed Health Care Provider (LHCP) to design a schedule for administering medication outside of school hours. If a student must receive medication during school hours, the school must have a written order signed by both the LHCP and the parent/guardian. The prescription medication must be in the original, properly labeled container with student's name and must be brought to the Health Room and signed in by the parent/guardian. This policy applies as well to any over-the-counter medication, these items include, but are not limited to cough drops, nasal sprays, medicated lotions, etc. Contact the health room assistant at 425-385-5606 for forms and additional information. Students may not transport or take medications themselves, including over the counter items referenced above.

PARENT TEACHER ASSOCIATION (PTA)

We invite and encourage all parents to join the Jackson PTA. This group is a very active and involved community of committed parents who work together to support the learning of all students in our school. Meetings and activities are shared with parents via the PTA newsletter and web site. More information about the PTA is available in the school office. Visit the PTA [website](#).

PARENT-TEACHER CONFERENCES

Jackson Elementary parent-teacher conferences are scheduled twice a year, fall and spring. Parents will receive an invitation to meet with their child's teacher. Conferences provide parents and teachers an opportunity to discuss each child's needs and progress. Interpreters are available upon request.

PARTIES IN THE CLASSROOM

Classroom celebrations are intended to be brief, tied to our district learning standards and considerate of the needs and values of Jackson families. Treats must be purchased from a store. Many students have food allergies. Parents should speak with the teacher prior to bringing food into the classroom.

PARTY INVITATIONS

Out of fairness for all children, no invitations to non-school events (such as a home birthday party) may be handed out at school unless each child in the classroom receives one, and they are first approved by the teacher.

PETS / ANIMALS IN THE CLASSROOM

Please keep pets off Jackson's playground and school campus. If an animal or pet is on our campus, we will attempt to contact the owner. If we cannot identify the owner, the pet will be impounded. District Policy 3418P states:

- The principal shall approve the instructional purpose for each animal in the school. No animal shall come into schools without the principal's approval.
- Prior to introducing any animals into the classroom, teachers shall ascertain that: students and school personnel are not allergic to the animal; the animals will present no physical danger to students; and students will be instructed in the proper care and handling of the animals.
- Animals shall not be allowed to roam freely.
- Animals shall be housed in suitable, sanitary self-contained enclosures appropriate to the size of the animal or kept on a leash.
- Teachers will be responsible for ensuring enclosures are kept in a sanitary condition.
- Animals shall not be left in schools during holiday periods where practical (fish in tanks are an exception). Teachers are not responsible for making arrangements for their care.
- Animals brought to school must have a current (within 30 days) health certificate signed by a licensed veterinarian.

PHYSICAL EDUCATION

Physical Education is a part of the basic education curriculum required and provided for each child. Your child's teacher will notify you of scheduled PE days. Since our gym floor is a hard surface, students must wear lace-up or Velcro (not slip-on) sport shoes with non-marking soles on their PE days. Clothing should allow for a wide range of motion and strenuous physical activity.

PROGRESS REPORTS

Progress Reports are issued at the end of each semester, in February and June.

SAFETY PATROL

Responsible students are trained to help children cross safely at designated crossings before and after school. All students and adults are expected to use the appropriate crosswalks, designated walking

routes and to follow the directions of the safety patrol members.

SCHOOL ACTIVITIES

At various times throughout the school year students may have an opportunity to participate in planned activities before or after school. Participation is optional, and some require payment of a fee or tuition. Parents will receive notice of activities. If parents want their student to participate they must sign a permission slip and provide or arrange transportation to school or home for their student.

SPECIAL EDUCATION SERVICES

Students may be provided special education services in the areas of reading, written language, math, and behavior. Speech & language and occupational/physical therapy services are also available for students with specific needs. Students are assessed for qualification in these programs by the District Special Services Department. Contact your child's teacher with any concerns and to discuss a possible referral.

SCHOOL SUPPLIES

Grade-level supply lists are available from the school office and on the school's website, <http://www.everettsd.org/domain/1780>. Please label your child's personal supplies if requested and replenish as needed during the school year.

STUDENT RECORDS

Everett Public Schools takes very seriously its duty to protect the privacy of student records. Student transcripts and other education-related records are protected by multiple security measures. Only those teachers, administrators and other staff who work directly with a student and/or have an educational need to know about the student have access to individual student records.

TARDIES

Students are expected to be in their classrooms ready to learn by **9:15 a.m.** Late arrivals at school interfere with individual progress and with classroom procedure. Students who arrive after 9:15 a.m. must report to the school office with a written excuse from home or be accompanied by a parent. A late arrival or removal from school before the end of the school day will be noted on the student report card as a "Tardy."

Review [Arrival and Dismissal](#) for more information.

TELEPHONE / MESSAGES

Please do not call the school office to relay messages to your child unless it is truly an emergency. Calls into the classroom disrupt student learning. Messages and notes must come to the school office by 3:00 p.m. (or 30 mins before other dismissal times) to assure delivery before the end of the school day. Student use of telephones is for emergencies **only**. If there is a change to your child's schedule, please talk to him/her **before** sending your child to school. Students without a written note will follow their regular dismissal routine. Deliver forgotten items (lunches, books, etc.) to the school office. Items will be delivered to your child at an appropriate time.

Do not email teachers with last minute messages. Teachers try to check email more than once a day, but they do not access email while teaching. If you have an emergency message for your child, the best way to communicate is by calling the school office.

Students needing to contact their parent/guardian during the school day must first receive permission from a staff member to use the student emergency phone in the office.

See the policy on [student cell phones](#).

TOYS

Toys, including electronic devices and trading cards, are not allowed at school. Show & Tell items must be brought in a paper bag labeled with the student's name. During the school day items are to remain in the bag until it is time to share, then returned to the bag and taken home the same day. Expensive or irreplaceable items should remain at home or brought to school by an adult who will take charge of the item until sharing time. With signed parent permission, electronic readers (Nook, Kindle, etc.) are permitted.

VIEWING RECORDS

Many records and documents in the school district are available to the public. Parents and other citizens have the right to ask the school district to view or have copies made of records defined as "public" under state and federal laws including their own student's records and public records about discipline of school employees. Everett Public Schools' public records requests are handled by the District's Communications Office. Records can be requested by writing that office at 4730 Colby Avenue, Everett, WA 98203, or by sending an e-mail to communications@everettsd.org.

VISITORS

Jackson parents/guardians are welcome to visit their child's classroom. They must contact the child's teacher at least one day in advance of the visit to confirm the date and time. When arriving at school on the day of the visit, please **sign in at the office and obtain a visitor's nametag before going to the classroom**. To assure safety and maintain the best environment for learning, only adults with children enrolled at Jackson may visit their child's classroom, unless invited as a guest by the classroom teacher. Parents, siblings and other family members approved by the parent and office may arrange to eat lunch with a student. All lunch visitors must check in with the office first to receive a visitor's pass.

VOLUNTEERS

Volunteers are important partners at Jackson Elementary School. We have a continuing need for volunteers in classrooms and around school. **To volunteer for any student-related activity adults must complete an Everett Public Schools volunteer application, which is available on the District web site, www.everettsd.org/volunteer.** Volunteer forms take up to three weeks to process at the District office and State Patrol. We encourage every parent to complete a volunteer form early in the school year. Approval is valid for three years. Volunteers must sign in at the school office when they arrive and will be given a volunteer badge, which must be worn the entire time the volunteer is on campus. Be sure to sign out when you leave campus.

VOTER REGISTRATION

The only requirement to vote in Washington State is that a registration form is completed at least 30 days prior to an election. It is possible to register to vote immediately upon moving into the state. Registration forms are available in many locations in the community, including the school office and District web site, www.everettsd.org.

WITHDRAWAL OF STUDENTS

Parents withdrawing their child from Jackson Elementary should let the school office know in advance so that student's cumulative file may be copied and ready when the new school requests records. Please request a copy of your child's immunization record from Jackson's health room assistant prior to withdrawal. It will be needed when enrolling your child at his/her new school.

Thank you for taking the time to carefully review these guidelines for a successful year.
