We acknowledge the original inhabitants of this area, the sduhub^s* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.

- Attention, students, and staff! Friday, November 29, 2024, is Native American Heritage Day, a time to recognize and celebrate the rich cultures, traditions, and contributions of Native American peoples. Throughout this month, we honor the history and resilience of Native communities, from the first nations to the present day. We encourage you to learn more about Native American history, art, languages, and achievements. We will be announcing events, resources, and activities that will help you explore and appreciate the diverse cultures of Native American tribes across the country and within our local communities. Let's take this opportunity to celebrate and respect the heritage of Native Americans and continue to build a more inclusive and informed community.
