**We acknowledge the original inhabitants of this area, the sduhubš\* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.**

- Celebrate Native American Heritage Month with us in the library! Check out our hall display, on loan from the Seattle Art Museum, our book display in the library, featuring Native American authors, and create buttons and bookmarks, inspired by Northwest Coast Indigenous art.

- This month, EHS HOSA is wearing blue for Diabetes Awareness. Diabetes is caused by insulin problems, leading to too much sugar in the bloodstream. It affects millions of people worldwide. While there is no cure, early detection, healthy eating, and regular physical activity can significantly reduce complications and risks.
- The World Language Assessment will be given on Thursday, November 21st. Students taking the exam will receive a pass to report to their designated location. Either the Library or room B-218.
