**We acknowledge the original inhabitants of this area, the sduhubš\* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.**

- In honor of Black History Month, we recognize the Black Panther Party. The Black Panther Party was a revolutionary socialist group originally formed to protect Black neighborhoods from police brutality through armed citizen patrols. The party grew into a national movement advocating for Black power. Fred Hampton, one of the leaders of the Black Panther Party, once said, “If you dare to struggle, you dare to win.” While facing discrimination, Fred Hampton continued to advance civil rights by bridging racial gaps and fighting for change.
