

February 4, 2026

**We acknowledge the original inhabitants of this area, the sduhubš\* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.**

- During the month of February we celebrate Black history month, we highlight the resilience, brilliance, and impact of African Americans who changed our country and continue to influence our world today. Angela Davis is an American activist, scholar, and author known for her work on racial justice, prison reform, and feminism. She became widely recognized in the 1960s and 1970s for her involvement in the civil rights movement and her criticism of mass incarceration. Davis continues to influence conversations about systemic racism and policing through her writing and public speaking. A fun fact about her is that she was on FBI's most wanted list in 1970 after being falsely connected to a courtroom incident. She was arrested, put on trial, and cleared from all her charges. She became an international symbol of resistance and justice.
- Congratulations to Maezie E. from Ms. Hoffman's class and Amanda R. from Ms. Bradley's class. They are this week's First Chapter Friday winners and get a free drink from our EHS Coffee House! Keep reading, Seagulls!
- Don't sit on the sidelines—get your no cost sports physical at the campus health clinic in S-101 and be ready for spring sports!
- The preseason meeting for Track and Field will be on Feb. 10 right after school in the Cafeteria. A second meeting will be held in Mrs. Bovey's room on Feb. 24th for any junior or senior athlete who is interested in becoming a peer leader for the season. It will take place right after school.
- Hey Gulls! This Friday, we are gonna show up in our best blue and green to support the Seahawks in the Super Bowl this Sunday! To really bring the spirit, we will be painting nails blue and green on Friday during both lunches in the cafeteria! So make sure to stop by the cafeteria so you can rep blue and green as much as possible!
- Next week there are lots of ways to show you care at EHS! Stop by the Library Makerspace to buy a pet rock or friendship bracelet, during both lunches. Or, in the library, you can select a bee-card & pollinate kindness through our AVID 9/10 kindness project. We'll be delighted to see you!
