We acknowledge the original inhabitants of this area, the sduhubš* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.

- Everyone please note that today's Everett Empowered Unified meeting is canceled! We will see you all after break!
- The Cast Iron Orcas (5941), our FIRST Robotics Competition team, participated in the Glacier Peak Regional Qualifier at Glacier Peak High School this past weekend. The team had a record of 3-9 with an overall record of 7-12 in the qualifying round of the robot game Rebuilt and was selected as the second pick for Alliance 2, which advanced to the finals, where Alliance 2 placed 2nd overall for the event. This is the best qualifying result in Cast Iron Orca history. If you are interested in joining the team or just learning more, please see Mr. Flatmo or Mrs. Karmil for more information! Congratulations Cast Iron Orcas, way to go!
