We acknowledge the original inhabitants of this area, the sduhubš* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.

When you do, you'll be given a BINGO card, and each time you participate, you will get that space marked with a sticker. Next week you'll have lunchtime activities, several spring sporting events, and Newsies, all of which are featured on the Bingo Card—you just have to do THREE to get a Bingo!

At the end of the week, if you have a Bingo, turn in your card to the box outside of the main office! You will then be entered into a drawing to win a week's worth of free drinks from the Coffee House! The winners of each lunchtime activity will also have their names entered into the drawing along with their bingo cards.
