**We respectfully acknowledge that we are on the traditional lands of the Coast Salish, Snohomish, and Tulalip Peoples.**

- Yearbooks are now on sale! Don't miss out on your pre-order. If you have an ASB they are \$60 and \$65 without and can be purchased at the Treasurer's office with cash or check.
- The activity bus has started! To ride the activity bus you will need to know your bus number and have a pass from the staff member you are working with. The bus leaves promptly at 3:30.
- Attention to all students who have requested a schedule change. Due to upcoming changes in the master schedule, counselors are currently on hold from making schedule changes. We need to see what will be added and moved before we can consider the schedule adjustments students have requested. Thank you for your patience. Currently, there is no spaces to move classes.
- Attention Juniors and Seniors! Next week our "Colleges on Campus" presentations kick-off in the Career Center with Embry Riddle Aeronautical University on Monday during first lunch. Bring your lunch and come listen to what this college has to offer. If you are interested in aviation, forensics or engineering you won't want to miss this. If you don't have first lunch and would like to attend, stop by and see Mrs. Selders in the A107 for a presentation pass.
- Attention freshmen! Are you looking for a way to get involved? Do you want to help organize things like homecoming, dances, and school events? Consider running for freshmen senate. Check your school email for more information or see Ms. Brown in A318. Applications must be submitted by this Thursday, September 14th.
- Today, Tuesday September 12th head to the Little Theatre from 2:20pm - 3:20pm for our first Everett High Thespian Society and Drama Club Meeting. Meet our officers, and directors, and learn about how you can be involved backstage or onstage this year! Audition packets and Backstage Crew Applications will be available for our fall Dramafest! Snacks and fun for all!
- Question: what kind of climate is typically located above the tree line? Answer: Alpine! If you knew that answer or other random facts tend to stick in your brain, come to A331 after school on Monday, September 18th to eat snacks and learn about our school's competitive trivia team, Knowledge Bowl. Hope to see you there!
