- Latinos Unidos is hosting their first event today after school in the cafeteria. Come join them for their baile workshop!
- Open Studio in the Ceramics Room will be cancelled this week. There will be NO AFTER SCHOOL SUPPORT for ceramics this week.
- Attention Criminal Minds and CSI fans. If you are interested in pursuing a career in Forensic Science stop by the Career Center in A107 this Friday during lunch for GEAR UP's first Career Spotlight Investigation. We'll learn about the real-life forensics profession--not the TV version, hear from a long-time forensic anthropologist and check out some colleges that offer degrees in Forensic Science. That's this Friday during lunch in A107.
- GEAR UP Juniors ready to improve your study skills for high school and beyond? This week you will discover everything you need to know to come to class prepared. Also, find a note-taking system that will help you retain and review like a champ. The first GEAR UP Study Skills Workshop is tomorrow during both lunches in the Career Center.
- Our first Technology Student Association meets on Monday, after school, in the library. What's TSA? You might call it a competitive STEM club, with events to suit everyone, from the story writer and fashion designer, to the videographer or structural engineer. Find out more on Monday and we will fill you in!
- Join the Authors Anonymous club today after school in the library. We'll be writing and decorating our writing notebooks!
- Congrats to our JV girls soccer team for their 4-0 win over Arlington yesterday!

Today in Sports

- Cross Country at Glacier Peak at 3:45
- Volleyball at Marysville-Pilchuck at 7:00
- Tennis vs Marysville Getchell at 3:30
