Pre-Arranged Absence
(Parent Request)

Policy 3122 Families should not schedule vacations or travel while school is in session. If a family vacation or travel must occur while school is in session, it must be prearranged prior to the absence and approved by the principal or designee. The principal or designee may excuse **up to five (5) school days** for a prearranged absence per student each school year.

Assignments requested for a prearranged absence will be provided to the student or parent/guardian if requested five (5) school days prior to the absence.

It is the collective responsibility of parents, students, and teachers to evaluate the effects of these absences on students' grades and progress, and to recognize that not all learning experiences or participation experiences can be replicated in an alternate assignment.
