STEAM ahead at home!

Science: Create a log of each moon’s phase for 30 days. Then recreate using Oreo cookies. You can eat once completed!

Technology: Make a map of your house. Using North, South, East, and West direct a family member to different rooms.

Engineering: Create the farthest flying paper airplane. Challenge your family members to join the competition. What made your plane fly the fastest?

Art: Create a puppet show of your favorite story book. You may cast family in the show if you read them the book first.

Math: Write the numbers 1-6 on 6 plastic cups and stack in a pyramid. Take 3 steps back. Use a Nerf gun or ball to knock over the cups. Add up the numbers on cups and record them. Battle a family member and see who wins!
WRITE YOUR OWN SECRET CODE!

Use the table below to make your own secret code. Put a number, a different letter, or a shape into each box. Then, use your code to write some messages to someone.
