- Your Seagull JV and varsity cross country runners had an awesome Wesco meet two Saturdays ago with 20 out of 25 athletes having their best races of the season (and many, of their career)! This past Saturday at districts at South Whidbey, your varsity runners ran their hearts out to go for PRs and state spots. When you see them in the halls, thank them for reppin' Everett so well! At districts, the boys team placed two team spots higher than last year thanks to gutsy performances from Gabe Woodard, Paul Stamm, Matthew McClimans, Reed Fowler, and Jeffery Davis. The girls placed one spot higher than last year and fought for the last team slot to state thanks to Emma Larson's state qualifying 18th place finish. Olivia Brewer, Ava Olsen, and Eliza Brewer just missed state berths, placing 31st, 34th, and 35th, and Sela Ho and Sophia Henggeler rounded off the varsity girls. The girls finished 6th as a team and are sending Emma to state for the second year in a row! She's off to Pasco Friday to race Saturday. Your Seagull Cross Country runners are ruffling feathers! GO GULLS!
