

Great news from the library: We have received donations of new games and decks of cards that can be played before school or lunch. The bad news is that many of our current sets are often left out, have missing pieces, or are not treated with respect. To help keep our games and cards in good working order, we are now asking for you to check them out. Starting Friday, please present your ASB card at the library desk if you would like to use a game or cards. When you are done, return the game or cards neatly to receive your ASB card.

Also, a reminder that the library is a place for everyone to share. Please remember to keep your voices low, clean up after yourself, and push in your chairs.

Our yearbook club meeting is today for the photographers and reporters committees. Please sign up for the activity bus or have a ride home at 4:00.

For all students involved in after-school clubs and study hall: If you have a ride coming, please make sure they understand they need to be at Gateway by 4:00. If they do not arrive on time, you will be asked to ride the activity bus. If you are planning ahead of time to take the activity bus, you must sign up by 1:00.

Thank you, Gateway, remember to guard your character.
