

Good morning Gateway Guardians,

Here is our news for Monday, Oct. 15th

Did you miss having your school picture taken at orientation in August or would you like a picture retake? You are in luck...Gateway's picture retake day is this Wednesday, October 17th. You can pick up picture packets at the office. If you are in need of a picture retake, make sure to bring the pictures you need retaken to school on Wednesday.

Gateway show your courage and creativity by entering the Gateway Grit Poster Contest. Submissions are due on Thursday. The 1st place poster will be displayed in the Yearbook along with a picture of the winner! There will be prizes for 1st, 2nd and 3rd. All posters that show creativity and effort will be displayed in the front entrance.

Posters need to be submitted to Mr. Anderson, room 205.

There is a GIVE meeting today at lunch. Bring your lunch and join us in the library.

The 8th grade Gateway Reads committee will meet on Wednesday in the library during lunch. If you already turned in your application, please bring your lunch and join us for our first meeting.

A big congratulations to our overall 1st period winners for the fundraiser:

- Stoskopf first place - you get to keep King for this week until he heads into hibernation
- Murk- second place
- Birse- third place

After we figure out total sales, we will announce grade level winners! Thank you all who participated and helped raise funds for ASB

In Grit news...

- Sidney showed grit when a horse bucked her off four different times. Instead of getting frustrated and giving up, she got back on her horse every time!
- Austen was learning a violin piece that was significantly harder than his skill level. He persisted and kept practicing through the new techniques and is finally able to play the violin piece proudly at a solo and ensemble event!
- Mr. Baker, one of our amazing math teachers, showed grit when he failed his first attempt at college Algebra. Mr. Baker changed his attitude when he went back to college, and graduated with a teaching degree and he obviously grew to love math!

Remember Gateway, guard your character!
