On a different note, Author, Kazu Kibuishi was just at Gateway! What did you think of him? He's so cool!

A pretty serious thing just happened, at a country concert in Las Vegas, there was a major shooting. Mr. Rogers says, "When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping. To this day, especially in times of disaster, I remember my mother's words and I am always comforted by realizing that there are still so many helpers, so many caring people in this world.

Our hearts also go out those affected by the tragedy in Las Vegas, as well as the natural disasters that have devastated Puerto Rico, Houston, Texas, and Florida.

Even in the face of tragedy, we stay strong together.

Remember to support each other, and to Guard your Character.
