

Here is our news for **Tuesday, Nov. 13th**

Attention Yearbook Club members: There will not be a meeting today. Stay tuned for our meeting the following week!

There **will be** a GIVE club meeting today in the library at lunch.

Have you thought about hungry people in need? The Gateway Give club needs help! We are partnering with the Mill Creek Food Bank to collect any non-perishable food items! This could include canned foods, dried fruit, cereal, stuffing, etc. This will be a grade level competition and will help the homeless as the holidays roll around the corner. Bring your items to the Commons to turn them into your grade level bin. Donate today!
