

Good morning,

Here is our news for Thursday, Nov. 15th

In fundraising news, our fundraising products arrive today! You may pick up your boxes at lunch or after school until 6pm and tomorrow at lunch and after school until 5pm. Thank you for your support!

The Give club is doing a food drive for the Mill Creek Food Bank. Help people in need, donate canned food, beans, dried fruit, and peaches. There is going to be a competition between grades and all students in the winning grade will get ice cream at lunch. The drive will continue through Tuesday!

Did you know that changing your password regularly can help protect you from scammers trying to steal your personal information? Change passwords for school and home using symbols and numbers *in* phrases. Instead of using your birthday as a password, try a phrase that includes your dream birthday present. Tune in tomorrow during HS&B for more tips during our digital citizenship lesson.
