

Good morning, today is Friday, November 17th

We are on a LIF early release schedule today.

We are excited to announce the Gateway Library is now on Instagram. Follow us at Gateway Library and be first to learn about new books, contests, and fun events in the library. If you saw it last night, be one of the first five to tell us the answer to the posted question and win a prize. Check again this weekend for a new post and question to answer Monday morning.

As Thanksgiving approaches next week, think about how you can help others in our community. Start gathering non-perishable foods to donate to our food drive that will be taking place during the first week in December. We will be having a competition between first period classes to see who can collect the most donations. Start planning with your first period class to work together to make a difference. Foods that are needed the most include canned sweet potatoes, cereals, soups, peanut butter, and canned meat.

Thank you Gateway, remember to guard your character.
