

Good morning Gateway Guardians,

Here is our news for Friday, Nov. 2nd

Attention first period reps! We need those blue stars! Please, if you have any blue stars that you haven't turned in, drop them off in Mrs. Walsh's room this morning!

Ms. Bus would like everyone to sign up for Fuel-up-to-play-60 by the end of November. If you do the challenges and record your information it will enter you into drawings for prizes. Please email me your information of username and password so you get credit for signing up and your name on the poster in the gym. We have received a lot from this program, especially from last year, it has given us new equipment for our PE department and I would like to continue getting this support for our PE program. Thanks to the 6 or 7 who have already signed up, hope to get your emails soon.

Start planning and saving! GIVE club will be hosting a food drive to support the Mill Creek Food Bank. Bring non-perishable food donations to school November 13-19th to help our community. Start participating even earlier by encouraging your families to bring donations during conference nights next week.

Remember Gateway, guard your character!
