

Good morning, today is Tuesday, November 21st

The Boys basketball teams will have their first home game today here at Gateway. The 8th grade team's game will start at 3:45 and the 7th grade game will start around 5pm. Come out and support your team.

We will have GIVE club meetings at lunch today.

As we near Thanksgiving, please start thinking of those in our community who might struggle to have enough food during the holiday season. Start collecting non-perishable food for our Gateway food drive. The drive will start the first week of December and food will be collected in first period classes.

Thank you, Gateway, remember to guard your character.
