

Good morning, today is Friday, December 1st

Shelfie, our library Guardian elf has been busy this week. Stop by the library today and write down where she was hiding on Thursday. We'll put your answers in a drawing and pick some winners on GBN Monday Morning.

Congratulations to all of our students turning in their Gateway Reads slips. This month, our two Gateway Reads drawing winners are Dylan Bryant and Cameron Gosline. Congratulations, Dylan and Cameron, you may come by the library today to claim your prize! We have lots of great titles available, so check one out and have a chance to win for December!

Our food drive starts on Monday! Remember to work with your first period class to collect non-perishable food for the Mill Creek Food Bank. At the end of the week, we'll see who has the most food—don't worry, we will do an average based on class size! Donate to a great cause and help others in our community.

Thank you, Gateway, remember to guard your character.
