

Good morning, today is Monday, December 2nd

EL Study Hall will be held this week on Wednesday, 12/6, instead of Tuesday. It is in room (306) from 3-4.

Congratulations to everyone following Shelfie's hiding spots last week! We picked names and Isabella, Robbie, and Junhee won the drawing and correctly identified her Thursday hiding spot. You three may stop by the library today to claim your prize. Take note of where Shelfie is hiding this week so you can win too!

There will be a Yearbook meeting tomorrow after school for the communications and reporting committees. Make sure you sign up for the activity bus or have a ride home at 4:00.

Our food drive starts today! Remember to work with your first period class to collect non-perishable food for the Mill Creek Food Bank. At the end of the week, we'll see who has the most food. Rumor has it that things are already getting very competitive. Some classes are claiming they are going to fill a store-room, while others have said their class is filling a truck. Another class appears to be covering their desks with boxes. Good luck!

We will **not** have a GIVE club meeting this week. We will meet next Monday instead as we wrap up the food drive.

Thank you, Gateway, remember to guard your character.
