

Good morning, today is Wednesday, December 6th

EL Study Hall is today is in room (306) from 3-4.

Our food drive is going strong! Which class will win? Two more days to go! Keep supporting our community and work together with your first period to bring in items!

Shelfie is still hiding in the library, reminding you about titles you can read for our Books over Break program. Be sure to check out where she is at, and also start selecting a book you will read over the Winter Break.

Thank you Gateway, remember to guard your character!
