

Good morning, today is Wednesday, February 28th

Attention 6th – 8th grade girls: You are invited to come to the Inspire STEM festival for hands-on, brain-teasing science fun, exploration, and inspiration. On Saturday, March 24th, Mrs. Sowa, Mrs. Werder, and Ms. Vantuyl will be taking a group of 40 girls to U-Dub Bothell to experience interactive exhibits, workshops, and talks from former NASA astronauts. It is on a Saturday, but lunch is included! If you are interested, pick up a permission form from the front office. We only have space for 40 students and students will be chosen on a first come first serve basis, so turn in your forms to Mrs. Lambert as soon as possible. The deadline for permission forms are due by March 9.

Do you want to make a difference in your school and school district? Do you love technology? Join the Student Tech Summit on March 7th from 5:30-7:30 at the district Community Resource Center. Share your perspective about learning in a digital world and give feedback about potential student devices. Did we mention free pizza? See the flier in the library for more information.

Author Brandon Mull is coming to Gateway on March 16th! We will have a school-wide assembly and hear from the New York Times bestselling author of Fablehaven, Five Kingdoms, and Dragonwatch. If you would like to purchase any of his books and have them autographed, please pick up an order form in the library.

Study Hall is cancelled today.

8th grade BHIP will meet in Ms. Westlin's room B122 this Thursday.

Did you know goats can produce milk that will give a family the protein they need? Mrs. Walsh's classes are well on their way toward providing a goat for a family in need. Our fundraiser for Heifer International is happening this week! Please bring donations to the library in the morning before school. Donations are also accepted online. Please see the Gateway website for the fundraising donation page link. It's button and sticker day! We have awesome Heifer International buttons or stickers when you bring in donations the rest of this week. We have a limited supply, so donate today before they run out!

Thank you, Gateway, remember to guard your character!
