

Good morning, today is Thursday, May 31<sup>st</sup>

A huge thank you to the students who turned in ASB applications! The students who submitted their packets can create up to 3 campaign posters and put them up in the commons or the hallway by the library. Make sure you get your posters approved by Mrs. Boten, Mrs. Spear, or Mrs. Lambert before you put them up. You can ask Mr. Rentko for help, once your posters are ready!

Special Olympics' Committee members don't forget that we have a planning meeting today after school. If you need to ride the activity bus, be sure to sign up during your lunch.

The final 6<sup>th</sup> and 7<sup>th</sup> grade BHIP meetings of the year will be held today at lunch.

Thank you Gateway, remember to guard your character.
