

Good morning, Gateway. Today is Monday, February 13, 2023.

_____ There is a yearbook club meeting today for the communications committee. Please make sure you have a ride home at 4:00 or sign up for the activity bus during your lunch.

_____ If you have studying to do, or written material to learn, leave the fluorescent lights behind and read in the light of the blue sky overhead. Natural environments can enhance cognitive abilities, like memory and problem solving. So, if you want to retain more information for that big test, you might have a better shot surrounded by birds and trees, than fellow students.

_____ Stop by the library this week and donate to Paws for a Cause! Did you know that if your grade level raises \$250 dollars, you will be able to sponsor a kennel for a year? That's right, your money will help the shelter and you will have a plaque with your graduating class posted on the kennel. Raise money for pets like Boo Boo, Mrs. Templeton and Mrs. TT's first period class mascot.

_____ Go on a blind date, with a book! Visit the library to select a specially wrapped book and take your chance on finding love by not judging a book by its cover. Give your book-date a chance and fill out the rate-your-date bookmark for a candy treat.

_____ Wrestling practice starts tomorrow. Today is the last day to get your wrestling registration completed to be eligible for practice tomorrow. Complete the required forms on FinalForms and upload a current physical. Please check your email that begins with your student ID for messages from FinalForms that need to be addressed.

And remember, Gateway, to GUARD your character!
