_____ The 7th grade girls basketball team won their second straight game of the season by defeating Olympic View 42-30. It was a great display of team defense! We also had a balanced scoring attack with five different girls contributing to the score. Our next game is this Thursday at home against Voyager Middle School, hope to see you there.

_____ Last night the 8th grade girls had an outstanding game against Olympic View. Down at half, the Guardians stormed back and came up just short with intense defense and great team offense. The final score was 27 to 23. Annie led all scorers with 9 points, while Erica, Rylie and Sabine also all added to the offense for the Guardians. Next game is Thursday vs. Voyager.

_____ Did you know that about 6.3 million pets end up in shelters each year? This week, the GIVE Club is raising money for PAWS, a local animal shelter. Each grade level's goal is \$250 and you can donate at the library before and after school, and at lunch. So far, 8th grade is closest to their goal with \$101. 7th grade has donated \$45, and 6th grade has donated \$40. Donate this week and help animals like Fancy and Baxter find their forever homes!
