

**Good morning, Gateway! Today is Monday,
March 7, 2022.**

_____ Our kindness challenge for today is: Thank your teachers.

_____ Stop by the library and take a chance this week! Choose a wrapped book based on a brief description, and it could be your lucky day finding a new favorite read. Try the book and rate it, then return it to the library to find gold at the end of the rainbow.

_____ Attention to any student in Algebra or Geometry that is interested in becoming a tutor: there will be a training after school tomorrow, March 8th. This training is a requirement in order to become a tutor. You must be there before you can start tutoring. It will be 2:45 – 3:45 in the cafeteria. If you have any questions, please talk to Ms. Taggart in Portable 1.

_____ The math teachers are excited to announce that student math tutors will be available in the library after school Mondays through Thursdays until 4:00 starting on Monday 3/14; make sure to take advantage of this opportunity!

_____ There is a yearbook club meeting tomorrow for the reporters. Please make sure to have a ride home at 4:00 or sign up for the activity bus during your lunch.

And remember, Gateway, to GUARD your character!
