**\_\_\_\_\_ Gateway Wrestling had it's first wrestling match since March of 2019 yesterday @ Explorer Middle School. Gateway wrestled a combined team of Explorer/Voyager/Olympic View Middle Schools. As a team we came up short as a team due to a number of forfeits at certain weight classes, but we had some great individual wrestling all afternoon. Many of our wrestlers got their first experience on the mat during exhibition matches. We had a varsity 3-point "win by decision" from Tony Guizar and two 6-point "win by pin" victories from Grady Wilkening-Joly and Allen Malkhasyan. We have our first HOME meet of the season, tomorrow, Thursday, March 10. Wrestling begins @ 3:45! Come support Guardian Wrestling!**

**\_\_\_\_\_ Attention students, there will be two GIVE carts out during lunch, one will be outside and one will be inside. If you have any unopened, packaged food or drink items from your lunch that you don't need or want, you can place them on the GIVE cart. If you are still hungry or didn't have your lunch, feel free to take something from the cart to eat or drink. This will be a great way to reduce food waste, help the environment, and add to someone's lunch.**
