

Good morning, Gateway! Today is Thursday, March 10, 2022.

____ Our kindness challenge for today is: **Make friends with someone new.**

____ **ASB is switching up the way that we distribute candy to those who participate in our spirit days. Starting tomorrow, if you are participating in the spirit day, please line up outside of the student store in the morning and ASB will be distributing candy from the window at the student store. Looking forward to seeing you all in your PJs tomorrow!**

____ **Attention 8th Graders: Thanks to everyone who has submitted nominations for the 8th Grade Most Likely To contest. Remember, you have until Friday afternoon to vote. Think about which one of your classmates will become the next late night talk show host, go to the moon, or win a Nobel Prize. You can find the link in your Outlook email account from Mrs. Stoskopf.**

____ **Today is our first HOME meet of the Wrestling season. Wrestling begins @ 3:45! Come support Guardian Wrestling!**

____ **This Friday is PJ Friday!**

____ **Hello 8th Graders! A reminder to check your school email for important information about high school transition activities taking place this week! This past Friday an email was sent to your parents/guardians letting them know about your Jackson or Cascade high school transition appointment time on Thursday, March 24th. Also, Jackson and Cascade Counselors will be visiting with 8th graders at Gateway today after GBN to review important information with you. You will need to bring your high school course catalog with you today for the high school Counselor visits and this Friday for the HS&B lesson where you will be identifying and selecting classes you would like to take in 9th grade.**

And remember, Gateway, to GUARD your character!
