

Good morning, Gateway! Welcome to the Gateway Broadcast News (GBN). Today is Friday, October 4, 2024.

\_\_\_\_\_ MRS. BLAKELY'S TEAM SPORTS SEPTEMBER ATHLETE OF THE MONTH GOES TO CADEN NAKAJIMA! Each month, students nominate a classmate who has demonstrated leadership, sportsmanship, and effort in team sports. Here are a few things they had to say about him:

"Caden demonstrated leadership by helping out his team when they did not know what to do. He clarified the activity directions so we could understand the activity in a simpler way. Caden comes to class every day with a great attitude, putting a smile on my face as well as others. In every game we play, I see him trying his hardest to lead his team to victory. He is also very kind and respects others. Caden is a good sport and lifts others up when they make a mistake." Keep up the good work CADEN!

\_\_\_\_\_ If your student ID card was printed with the wrong name or student ID number, please see Mrs. Trachte at the Office and she will make you a new one.

\_\_\_\_\_ Our yearbook cover is missing and it's up to you to find it! Keep a look out for it: The theme is Missing + Case File. If you choose to take on this mission, create a yearbook cover with your interpretation of the theme. Visit the kiosk by the counseling office for an informational packet and turn in your yearbook cover to Mrs. Stoskopf by October 15th. Good luck!

\_\_\_\_\_ We heard from the BMX riders. Remember, every big trick starts with a big goal. What are your goals? Write them down and work hard every day to achieve them. You can't reach your dreams without setting them first!

\_\_\_\_\_ Overlap Alert! Make sure the bottom of your shirt and the top of your pants, skirt, or shorts overlap. No midriffs peeking out! Hide Those Undergarments! Make sure your clothes cover properly so no undergarments are visible.

\_\_\_\_\_ Hola, tech lovers! To celebrate Hispanic Heritage Month did you know that a Mexican inventor named Guillermo González Camarena helped bring color to our TVs? 🤖 In 1940, he created an early version of the color television system. Thanks to his invention, we can enjoy our favorite shows in full color today! So, next time you're watching TV, remember that a brilliant Hispanic inventor helped make it possible.

\_\_\_\_\_ Calling all artists: the library needs you! Help us make a display for Halloween by recreating your favorite scary book covers. Stop by the library at lunch to pick a book cover and poster board and get all the details.

\_\_\_\_\_ Do you celebrate Diwali or Day of the Dead? Help us celebrate by leading an activity, decorating, or showing ways you celebrate. Visit the library to learn more and find out how you can help us welcome these holidays on November 1st.

\_\_\_\_\_ *The 8th grade Gateway Reads Committee will meet today after lunch. Plan on joining us around 11:45.*
